## CENTURY 21 Sales Professionals Opens Company in Hometown of Moose Jaw

**Moose Jaw, SK** – Jody and Rick Oakes are the new owners of CENTURY 21 Insight Realty Ltd., the latest spin off from the sale of the real estate arm of Conexus Credit Union.

Jody was the branch manager of the CENTURY 21 Conexus office in Moose Jaw and moved into the role of owner when the news came out that Conexus was going to sell. "This is a great opportunity for us and we're looking forward to continuing our services with all our clients," she says.

Jody has lived in Moose Jaw all her life and continues to love the community that she's grown up with and now serves. "Some people say it's not very big. Well, they're right but that's what's perfect about it," says Jody. "Moose Jaw is a unique place with so many great people! Our population is approximately 37,000 people and with all the amenities you will need."

"Being from a smaller community and being local is something that I take great pride in and I think CENTURY 21 understands that smaller community living. Even though being a very large real estate company, CENTURY 21 appreciates the local, hometown pride," adds Jody.

Jody believes that her sales professionals are not only helping people buy and sell their homes, they are helping people build a life together and family together. She is also a true believer of giving back to her community. She's been a great supporter of Easter Seals and her office will be a sponsor for a breast cancer event later on in August. "Working, living and giving to our community; that's what makes us who we are at CENTURY 21!" says Jody.

CENTURY 21 Insight Realty will continue to serve the residents of Moose Jaw and the surrounding areas. With a dedication to providing the best service on real estate matters, the CENTURY 21 Insight Realty team is looking forward to assisting home buyers and sellers with all their real estate needs.

CENTURY 21 Insight Realty, with their head office located at 111 High Street West in Moose Jaw, SK is a full service brokerage.
