Janice Resch, CENTURY 21 Advantage named REALTOR® of YEAR

FOR IMMEDIATE RELEASE:

January 7, 2008

Janice Resch of CENTURY 21 Advantage in Red Deer, AB was honoured and recognized by her real estate colleagues with the presentation of the REALTOR® OF THE YEAR AWARD at the Red Deer & District Real Estate Board President's Ball.

The REALTOR® of the Year award is the most prestigious award the Board bestows upon a member, and recognizes a member who places the real estate industry and the goals of the Real Estate Board ahead of their own personal interest. Janice contributed a significant amount of volunteer time and effort to advance the causes of the Real Estate Board, and the community, making her a very deserving winner of this year's award.

Mr. Dale Russell, 2007 President of the Board, praised Janice for "raising the bar" and "setting the standard" for all REALTORS® to follow.

"I feel very honored to have been chosen for this award by my peers as I know that there are several REALTORS in our Board that devote much of their time and expertise to giving back to our industry and promoting the positive image that we all deserve as professionals. I look forward to continuing to serve the REALTORS in our Board as well as the Province in my new position as Director of The Alberta Real Estate Association," says Janice.

Janice was named Director of the Board in 2000 in addition to serving two terms as President, a position also held by her father, Charlie Anderson, and her brother, John Anderson. Janice was awarded the Quality of Life REALTOR® Award by the Alberta Real Estate Association in 2005, which recognized her commitment to the industry.

"Janice is most deserving of this award," says Brian Rushton, Senior Vice President, Franchise Sales and Development of CENTURY 21 Canada. "Janice epitomizes the CENTURY 21 Gold Standard professionally as well as in the community and CENTURY 21 Canada is thrilled to congratulate her."

Janice has been a REALTOR® with CENTURY 21 Advantage since 1995 and has been recognized with numerous production awards within the CENTURY 21 System, including the CENTURION® Producer award in 2005 and 2006.
