

CENTURY 21 Broker crosses off “Bucket List” item, publishes first novel

FOR IMMEDIATE RELEASE

Vancouver, BC — [Rolf Hitzer](#), Broker/Owner of [CENTURY 21 Carrie.com](#) in Winnipeg, MB will now add published author, to his long list of accomplishments.

[Hoodoo Sea](#) is a gripping science fiction novel centered on a Canadian pilot who tests the first light-speed vehicle for NASA.

Hitzer says he was inspired by a Discovery Channel documentary and the idea grew from there.

The novel was over three years in the making and despite a hectic schedule of managing a successful CENTURY 21 company and a full family life, Hitzer was committed to his personal project.

“I was determined to complete this novel but at first, I had not intended for it to be published,” says Hitzer.

“Initially my objective was to write a story as a keepsake for our family and scratch off a “bucket list” item,” says Hitzer. “After my wife had read the completed manuscript, she insisted I pursue some avenues to have it published. At first I resisted, but she was persistent. Well to my surprise, I signed a contract with a literary agent, and in turn, they found a publisher willing to take a chance with a new writer. I never expected to be holding a published novel in my hands and I really want to thank my wife for her support.”

Hitzer says he ventured into writing after writing training manuals and some website content for CENTURY 21 Carrie.com. “To my surprise, I enjoyed the process of writing and so I decided to try my hand at writing about something that challenged my creativity and was a bit more fun than training manuals. I didn't realize how difficult this task would become until I was about fifty pages into the story!”

Hitzer has been a part of the CENTURY 21 family since 1996 and was awarded the prestigious Franchisee of the Year Award in 1999. Under his leadership, CENTURY 21 Carrie.com has grown into a real estate company of 65 Sales Professionals with two locations serving the city of Winnipeg and surrounding area. CENTURY 21 Carrie.com is an award winning office having achieved CENTURION Office status 10 times and Double CENTURION Office status 7 times since the company opened in 1992. CENTURY 21 Carrie.com has also ranked 16 times in the top 21 CENTURY 21 Office awards by Units and Production and was also recognized for their Easter Seals fundraising efforts.

Hitzer is also a real estate coach and business writer and is currently working on his second novel.
